

WINE CLUB NOTES

Wine Garage Hot Deal

SUMMERTIME FUN ... WINE FOR YOU FAVORITE SUMMER EVENT

Introducing...

The Wine Garage Summer Wine Club!!

Many of our Club Members have been asking that we put together a SUMMER wine shipment since they miss getting our yummy wine deals until October. I have thought about the fact that if you live in California, Oregon, and Washington states you can get our wine club shipped ground anyway---right?? For those of you not in the west and you feel it is too hot to ship via ground, consider that way the wine industry is imploding and we're getting screaming deals on killer juice. These savings will help to cover for the difference in cost for shipping 3 Day Air to your state.

The shipping prices are posted on our website at www.winegarage.net/hotdeals/hotdeals.html

THIS WILL NOT BE AN AUTOMATIC MEMBERSHIP – YOU MUST SIGN UP FOR THIS SPECIAL SUMMER CLUB SHIPMENT VIA OUR WEBSITE.

There will be 2 Summer Wine Clubs to choose from:

- 1) All Red Barbequer's Delight Summer Club (6 bottles of Reds)
 - 2) Red/White Easy Livin' Summer Club. (3 bottles of Reds, 3 Bottles of Whites, one of which may be a rose` (if I can find one worthy.)
- Both clubs will include the usual 6 bottles. The cost will run around \$100.00 (not including shipping.) I am continually getting smoking deals these days from stressed out vintners who need to drop prices and raise some revenue.
 - Tasting notes will be posted on the website.
 - Red wines will be medium bodied, somewhat lighter in style than normal Club shipment wines (but with at least one full-bodied red selection)
 - If you are questioning shipping in the summer months, we suggest shipping:
 - Ground delivery to the West Coast States, (California, Washington & Oregon). This is anywhere from two to four days delivery dependent upon your locale.
 - 3 Day Air delivery to all other states
 - The method of shipping the wine will be your choice and YOUR RISK. Fed Ex and UPS do not insure for heat damage and we cannot guarantee the condition of the wines if you choose to ship ground. We also recommend that you ship to a PLACE OF BUSINESS where someone can sign for the package.

Please check off your choice of shipping method on the order form.

Keep in mind that the shipping is additional cost and will be charged to you from ILS, the shipping company. We have posted the pricing for the shipping costs on our website. The wines will be shipping out the week of July 26th, 2010

Thanks for your consideration and don't forget....drink up.
There's more where this is coming from!
